

**SOUTH CENTRAL INDIANA RURAL ELECTRIC MEMBERSHIP CORPORATION**

**RESIDENTIAL AND FARM RATE (PREPAID)  
RATE SCHEDULE – RS - Prepaid  
EFFECTIVE JULY 1, 2022**

**Availability**

Available to any residential or farm consumer of the Corporation for single-phase electric service at a single delivery point. The rated capacity of any motor served under this schedule in excess of ten (10) horsepower shall be subject to the approval of the Corporation. Prepaid service is only available on residential accounts with standard meters up to 200amp service. SCI Prepaid is not available for 400amp, instrument-rated, or meters that are not self-contained.

If at any time a Prepaid member wants to convert a Prepaid account back to a regular billed account, a deposit may be required, and any amount in debt recovery would need to be paid in full.

**Type of Service**

Single-phase sixty (60) cycles at 120/240 secondary voltage.

**Monthly Rate Fixed**

Cost:

Basic Service Charge	\$43.38
(billed at the rate of \$1.45 per day)	

Energy Charge:

Purchased Power	\$.07958 per KWH
SCI Distribution Cost	\$.02958 per KWH

**Hoosier Energy Adjustment**

The above rates may be subject from time to time to a purchased power cost adjustment tracking factor as deemed appropriate by the Board of Directors of the Corporation. The purchased power cost adjustment tracking factor applicable hereto is shown in Appendix A.

**Minimum Daily Billing**

The minimum daily billing under the above rate shall be \$1.45.

**Miscellaneous Charge**

You will see a miscellaneous charge on your Prepaid account once a month. This is to balance your Prepaid account with our traditional billing system. This may show as a credit or a charge to your account depending on the balance on your account in our billing system.

### **Terms of Payment**

A member on Prepaid must maintain a credit balance on their account at all times. Electric service will be subject to immediate disconnection if at any time the account does not have a credit balance. If the service is disconnected, any outstanding balance plus the minimum credit balance of \$50 must be paid before service will be restored. Service will be restored remotely using SCI's automated meters normally within one hour after payment has been received. If the service cannot be reconnected remotely, someone will be dispatched to restore the service during normal business hours.

### **Condition of Service**

All wiring, poles, lines, and other electrical equipment beyond the metering point shall be considered the distribution system of the consumer and shall be furnished and maintained by the consumer.

### **Miscellaneous Nonrecurring Charges**

Consumers served under this rate schedule shall be subject to the miscellaneous nonrecurring charges as stated in Appendix C, which may be charged to the consumer as applicable.

### **Operation Roundup®**

Consumers served under this Prepaid rate schedule may voluntarily participate in the Operation Roundup® program as described in Appendix D. Operation Roundup® is billed at the rate of 2¢ per day.

### **Interpretation of Schedule**

The interpretation of or the application by the Corporation or by any consumer of all rates, rules, and regulations included in this rate schedule shall be subject to review by the Board of Directors of the Corporation, consistent with its service rules and regulations or policies, except as otherwise provided by law.

### **Rate Schedule Modifications**

All rate schedules and charges, as well as the Corporation's service rules and regulations or policies, may be amended or modified, in whole or in part, at any time as deemed appropriate by the Corporation's Board of Directors.
