

SOUTH CENTRAL INDIANA RURAL ELECTRIC MEMBERSHIP CORPORATION

**AVOIDED RATE FOR SMALL POWER GENERATION SYSTEMS
RATE SCHEDULE – SPGS
EFFECTIVE APRIL 15, 2019**

Availability

Available to any member receiving electricity under the Residential, ETS, General Power, or Commercial rate of the corporation with a Small Power Generation System (SPGS) up to a maximum of 50 KW contracting for parallel operation in accordance with the Cooperative's rules and regulations. The SPGS must be located adjacent to an electric line of the Cooperative that is adequate for the service to be provided by the SPGS. The additional generation must not violate SCI REMC's all power requirements contract with Hoosier Energy REC.

Small Power Generation System

Small Power Generation System shall include any cogeneration or small production facility, including renewables, with a nameplate rating up to 50 KW.

Contract

The SPGS shall enter into a contract before operating any generating equipment electrically connected to the Cooperative's system.

Rate for Purchase of Energy

The Cooperative will purchase energy from the SPGS in accordance with the conditions and limitations of the contract at the following rate:

For all KWH supplied \$0.060000 per KWH

Parallel Operation

The Cooperative will permit a SPGS to operate in parallel with the Cooperative's distribution system per the Cooperative's *Member Requirements for Installation and Interconnection of Small Power Systems 50 KW or Less* and the *Agreement for Interconnection of Small Power Generation Systems*. The agreement must be executed prior to interconnection with the Cooperative's distribution system.

Maintenance, Supplementary and Backup Power

The Cooperative will provide all power required by its member for the Maintenance, Supplementary, and Backup Power requirements of the SPGS pursuant to the Cooperative's applicable retail rate schedule.

Interpretation of Schedule

The interpretation of or the application by the Cooperative or by any member of all rates, rules, and regulations included in this rate schedule shall be subject to review by the Board of Directors of the Corporation, consistent with its service rules and regulations or policies, except as otherwise provided by law.

Rate Schedule Modifications

All rate schedules and charges, as well as the Cooperative's service rules and regulations or policies, may be amended or modified, in whole or in part, at any time as deemed appropriate by the Corporation's Board of Directors.
