Primary Signature Date

Joint Applicant Signature Date

I do not wish to participate in Operation Round-up@ (see on back)

## **NON-DISCRIMINATION POLICY STATEMENT**

It is the policy of South Central Indiana REMC ("Cooperative") that the Cooperative will not discriminate in the services and programs available to South Central Indiana REMC customers or potential customers based on the protected categories of race, color, religion, sex, age, national origin, status as a veteran, or disability. It shall be the objective of the Cooperative to comply fully with all applicable State and Federal Laws, rules, and regulations, which protect the rights of individuals against discriminatory behavior.

It shall be the objective of the Cooperative to follow the principles of nondiscrimination which proved that no person in the United States shall, on the basis of a protected category, be excluded from participating in, denied admission or access to, denied the benefits of, or otherwise subjected to discrimination under any of this organization's programs or activities.

Nondiscrimination in the providing of services not only is the law, but it is a principle of our Cooperative's operation. We expect each employee to cooperate to achieve this goal and we personally stand behind this principal.

Any customer or potential customer who feels that he/she has been the subject of discrimination shall be encouraged to report this fact to the President/Chief Executive Officer or the Vice President of Human Resources, so that the matter can be investigated and any necessary corrective action can be taken.

### ***Operation Round-up***

Dear SCI REMC Member:

As a member of South Central Indiana REMC, you have the opportunity to be part of an effort that combines strength of numbers with the power of a few cents. You are eligible to participate in Operation Round-Up, and join "the power of many, helping others." Here's how it works.

Members who wish to participate have their monthly electric bill rounded to the next dollar amount. For example, if your electric bill is \$60.76, it would be rounded up 24 cents to \$61.00. The average annual contribution per member is about \$6.00 per year.

This "spare change" is combined with other members' money in the SCI Membership Community Fund, Inc., and administered by a board of trustees made up of representatives from the communities we serve. The board uses these funds to make grants in our members' name that assist not-for-profit charitable organizations and individuals. Since 1995, our members have given back more than \$2.7 million dollars to the communities we serve.

It's an easy, convenient way to make a small contribution, which makes a big difference. But the choice is yours. If you would like to join our other members in Operation Round-Up, simply do nothing. You'll see the difference your contribution makes as grants are publicized in the media, our member newsletter, or our website.

If you would rather not be part of Operation Round-Up, you have 2 options:

- Call our office at 800 264-7362
- Email [askus@scirem.com](mailto:askus@scirem.com)

We'll remove you from the program and credit your account if your bill has already been rounded up.

South Central Indiana REMC works hard to help make the communities we serve a better place to live. We hope that you'll join us in that effort.

Sincerely,

SCI REMC
