REBATE DETAILS

- A copy of the sales invoice, before and after pictures of the equipment, and an AHRI certificate must be included with the rebate application.
- Equipment must be installed by a licensed HVAC contractor
- Rebates are valid only for equipment installed in 2019
- Please submit one application per system. Only two rebates per account number per year.
- We reserve the right to check any installation.
- Incomplete applications will not be processed and will be returned to the contractor or homeowner.
- SCI REMC issues rebates in the form of checks, not energy bill credits. Allow 3-4 weeks for processing.

DISCLAIMER

South Central Indiana REMC is not responsible if your HVAC contractor, builder or other party provides you with inaccurate information about the amount or conditions of the actual rebate. SCI REMC will not rebate equipment that is mislabeled or misrepresented. SCI REMC is not responsible for any lost, late, stolen, ineligible, misdirected or postage due mail. Rebate qualifications and amounts are subject to change at SCI REMC's discretion and the program may end at any time.

Please read the following and sign below to indicate you understand the conditions:

Limit of two rebates (per type) per household. To receive a rebate, all homeowners must provide AHRI (Air conditioning, Heating and Refrigeration Institute) validation for all SEER ratings that can be obtained from the installing heating and cooling dealer. No rebate will be awarded based on HVAC dealer bid specifications, promotional material of dealer, manufacturer or any other source than AHRI. A certificate of ARI-certified performance must be submitted. All homeowners must complete a rebate request form and provide proof of purchase to receive any 2019 rebate. Deadline to apply for 2019 Rebate Program is Dec. 20, 2019. The cooperative reserves the right to approve, deny or select the appropriate rebate. The co-op also reserves the right to inspect and verify installation of equipment receiving a rebate.
